Model UT7230-10AR shown with optional 14.5" aluminum load retaining rail and spare tire with pedestal and bracket.

This 6×10 ft single axle heavy-duty utility trailer is a compact workhorse, hauling anything from an ATV to a small tractor or riding mower. It's available with an optional aluminum load retaining rail, or optional 3 wood sides at 11" high or 20" high that are easily removed. Both the standard straight rear ramp and optional bi-fold ramp fold down flat on the trailer deck for easy hauling empty. Every Chilton Trailer is built by hand with a fully welded frame and ramp for years of reliability.
